

Morgan Park News

BOWLING

NEW BOWLING GREENS

The Bowling Club Building Consent has been lodged with Council and on approval will set in process when the building will be moved.

The pool fencing around the new greens is being installed.

FOOTBALL

TRAINING LIGHTS

The Club has secured the services of an electrical contractor to help with improving the training lights at the park.

TENNIS

SUMMER IS HERE

Tennis is well underway with the change in seasons. It is hoped that there will be further recruitment of members to the club.

HEADING 3 TEXT HERE

Waihi Sports and Action Trust intends to keep all sports clubs based on Morgan Park informed of the development works being undertaken.

Thrive Spaces and Places is assisting with some of the development works.

The Old Toilet Block

The Hauraki District Council assisted in the removal of this toilet block to assist with Waihi Sports and Action Trust's development plans for the Park.

NEW CROQUET LAWNS

CROQUET

Work has resumed on irrigation of the lawns and discussions are being held with Council to assist in improving and maintaining the lawns.

There have been some positive discussions between the club, Hauraki District Council and the Waihi Sports and Action Trust in response to seeking further land to increase the size of the upper lawns.

Funding for some of the development works will be required as plans are finalised.

NETBALL

With the summer season and schools starting it is hoped that this sport will continue to see the increase in participation sport

SQUASH BUILDING

SQUASH

The use by Croquet Club of the lower portion of this building is still under discussion as some improvements will be required and this will need extra funds.
